Let's All Give Something To Help The Cause!

During the year that has passed the various auxiliary service organizations which are serving His Majesty's Forces at home and abroad made several individual drives for the purpose of raising funds to carry on their work. This caused some dissatisfaction among the public and entailed a vast amount of work and expense in duplicating such efforts.

This year an arrangement has been entered into whereby six organizations comprising the said auxiliary services have combined to make one joint appeal which will be the only Dominion-wide drive for funds to be made during the year. These organizations are:

CANADIAN LEGION WAR SERVICES;
SALVATION ARMY;
KNIGHTS OF COLUMBUS;
I.O.D.E.;
Y.M.C.A.;
Y.W.C.A.

All these organizations are doing a splendid work in their respective spheres, both in Canada and overseas, wherever members of the Canadian Forces are to be found. Their services include education, entertainment and the other amenities that make the difference between the men serving in the Democratic Forces and those serving under Totalitarianism.

A national committee has been constituted to examine the budgets of the various societies and this committee has decided that the minimum amount necessary for them to carry on their work for the ensuing year will be \$5,500,000 and it will take a great effort on the part of everyone to put this over—but if we all do our best it can be done.

The National Committee has set the quota to be raised by the Province of British Columbia at \$550,000 and of this sum the quota of Vancouver Island is \$55,000.

In addition to the national committee, provincial and local committees have been set up and S. K. Campbell of the Bank of Commerce, Victoria, has been appointed the organizer for Vancouver Island. On Friday last he attended a meeting called at the Farmers' Pavilion by William Douglas of Saanichton, who had been appointed local organizer for the Saanich Peninsula. Invitations were extended to all organizations in the district and of those invited the following were represented:

North Saanich—Red Cross; I.O.D.E., Allies' Chapter; Canadian Legion; United Church; North Saanich Service Club; I.O.D.E., Endeavour Chapter; Women's Auxiliary, Canadian Legion; Sidney Businessmen's Association.

South Saanich—Women's Institute; St. Patrick's Presbytery; Saanich Pioneers; Agricultural Society.

Brentwood—Saanich Board of Trade; Women's Institute; Red Cross Society.

Royal Oak—Municipal Hall; Women's Institute.

Mr. Douglas introducing Mr. Campbell gave an explanation of the reason for calling the meeting and Mr. Campbell in turn gave an explanation of the plan and particulars of its set-up.

After a full discussion the meeting appointed J. Tindell, president of the North Saanich Branch, Canadian Legion, as chairman of the local drive and William Douglas, secretary of the committee.

The district was then divided into sub-districts set out below and the persons named were appointed captains of the respective districts to make arrangements with the help of the organizations at the meeting, which in most cases was willingly volunteered, for a thorough canvass of the district in a supreme effort to get the best results possible.

District	Captain
North Saanich	J. C. Anderson
South Saanich	Capt. N. Gray was appointed but owing to his subsequent illness Mr. Douglas has added the captaincy of this district to his other duties.
Brentwood	Maurice Atkins
Royal Oak	Mrs. W. J. McIntosh

When the canvassers call upon YOU do the best you can and have the satisfaction of knowing that you are helping to sustain the morale of the men who are serving in the Army, Navy and Air Force. Remember, this will be the only chance you will get this year to contribute to the splendid work being carried on by the organizations named.

AIR FORCE DANCE WAS OUTSTANDING

Local citizens mingled among the boys in Air Force blue at the dance staged Friday night in the North Saanich Service Club Hall by the Air Force Orchestra under the able direction of Bandmaster Tuttle by permission of Wing Commander L. E. Wray, O.C.

In a military setting a large and enthusiastic crowd was in attendance and enjoyed to the utmost stepping to the rhythm of the 14-piece orchestra, it being something new and novel in the way of orchestras for this district. The perfect rhythm of the beautiful music thrilled the hearts of the dancers and all the latest in dance numbers added zest and pep to the already enthusiastic crowd of guests.

The Women's Auxiliary to the Air Force served refreshments during the evening.

Drive For Funds To Instal Water In Hall

FULFORD, March 12.—The Fulford Community Hall meeting held on Feb. 19th was called for the purpose of considering ways and means of installing a water supply to the hall.

The trustees already held a generous offer from J. J. Shaw on entry on his land and connection to his water system. For a yearly charge of \$5 he undertakes to take care of dam and ditches and also care of shut-off valves during cold weather.

The proposed project will need \$125 cash for material and the trustees will rely on free community labor to complete the job. Hence the drive for funds.

BUSINESSMEN MET THURSDAY

Members of the Sidney Businessmen's Association met at dinner in the Sidney Hotel Thursday, George L. Baul presiding.

Roads, banking, light rates, sign posts and house numbers were all considered.

The matter of roads was again referred to the Public Works Dept. A report concerning banking or an arrangement for the raising of cheques showed that not enough business places were interested to attempt to operate such an office.

The B.C. Electric is being contacted with the object of having the light rate reduced.

All members were urged to put up their house numbers as soon as possible.

Street sign posts are now ready to have street names put on, this is to be attended to immediately.

Brownies Saving For Red Cross Funds

GANGES, March 12.—The Brownie Room in the Salt Spring Island Consolidated School, decorated with moss, daffodils, Japanese plum and other spring flowers, formed an attractive setting for the tea organized, last Wednesday, by Brown Owl, Mrs. R. TO PLANT TREE IN MEMORY OF TED CARTER

A large congregation was present at the service in St. Andrew's Church, Sidney, to commemorate the life and example of Sgt. Edward Carter, who recently succumbed to injuries received when flying with the R.A.F. in England. The hymns sung during the service were the Lenten hymn "As New The Sun's Declining Rays," Col. W. R. Drury's "Hymn For Our Airmen," "Ye Holy Angels Bright," and Sgt. Carter's favorite hymn, "All Things Bright and Beautiful."

The rector, in eulogizing the life of Ted Carter, spoke of him as a lad well loved in his home, and as one who loved his home; a faith communicant of the church; a source of moral strength to the young people of the community; and particularly to the local troop of Boy Scouts of which he was at one time troop leader. "In him we had one who did his duty both to God and the King; a great example for the younger generation of the village to follow, for their own sake, for the sake of England and for the sake of Canada."

Victoria Scouts joined with the local troop in the service, and a considerable number of the local branch of the Legion were present to pay their homage to their friend Edward Frederick Carter.

At the conclusion of next Sunday morning's service a tree will be planted in the church yard in memory of Ted.

GANGES I.O.D.E. ADDRESSED BY MRS. HURN

GANGES, March 12.—The regular monthly meeting of the Ganges Chapter, I.O.D.E., was held on Friday afternoon in Ganges Inn, the regent, Mrs. Cecil Springfield, presiding.

After the formal opening, an address was given by Mrs. Hurn of Victoria on the subject of the War Savings campaign which, she said, afforded a grand opportunity for the women of Canada to get solidly behind the war effort. She stated that she was delighted to hear from the Ganges postmaster, that he had sold \$440 worth of war stamps and war certificates to the value of \$2,890. Mrs. Hurn received an enthusiastic vote of thanks for a most interesting and informative address.

At the business meeting the correspondence was read and included letters from the following: A soldier expressing thanks for the gift of a sweater; The Lady Minto Gulf Islands Hospital acknowledging, with thanks, the gift of some new furniture for the I.O.D.E. Room; the Municipal Chapter endorsing the resolution regarding the wearing of bar pins by wives and mothers of men in the Merchant Service; Mrs. Stead in connection with the National Drive for War Funds between March 24th and April 5th, this subject drew a strong protest from the members, who were against country branches being included in the drive. A resolution was formulated and will be read to Mrs. Stead next week, when she speaks to the chapter in Harbour House.

The treasurer's report showed \$21.12 in war fund account, and \$75.79 in the general fund.

In answer to the request, the small donation asked for was sent towards purchasing a new shield for the Rainbow Sea Cadets.

Mrs. V. C. Best read an interesting report on the recent meeting of the Municipal Chapter attended by her in Vancouver.

Miss M. Holford, convener of the silver tea held last month in Harbour House for the benefit of the Lord Mayor's Fund, reported on the afternoon's proceedings, which realized \$67; since then additional sums have raised the total for the desired objective to \$118. Wray, O.C., of the Patricia Bay Airport, music will be supplied by the 14-piece R.C.A.F. Dance Orchestra. Dancers who have never enjoyed the thrill of dancing to such a large orchestra will thus have an opportunity for such a pleasure. The orchestra includes saxophones, trombones, trumpets, and a guitar and drum jazz section. At a recent event in Victoria, over 800 men in uniform danced to its music and were highly delighted. To next Friday's function, a cordial invitation is extended to the general public and it is hoped that a large number will turn out to enjoy this outstanding orchestra.

HOSPITALIZATION

A year ago hospitalization became operative at the local hospital, Rest Haven, and since then an average of around \$200 monthly has been given in service, some individuals received as high as \$164 in service, and a number over \$100.

It is now time to renew our contracts with Rest Haven — not with the idea that we are going to the hospital in 1941, but to "insure" ourselves against a big hospital bill in case we do go! We venture to say that those who were obliged to seek hospitalization were very glad that they had signed up.

We understand that the rates for the year will remain as last year, namely: \$12 for single persons, \$15 for man and wife, and \$17 for a family. Can you figure out a cheaper insurance against a hospital bill for the next 12 months? Neither can we. Renew your contract without delay. If you are not already signed up and wish to do so, just 'phone Rest Haven and you will receive full information as to the benefits to be received.

J. J. White, Sidney, while visiting in Vancouver during the week-end, attended the meeting in City Hall at New Westminster, Friday. There were about 50 delegates present from all portions of the province. The fixing of dates for the holding of fairs is one of the important items of business of the association. September 23rd and 24th were allotted for the Saanich Fair.

In the annual report for last year of the secretary, it was recorded regarding Saanich Fair — "Management and organization perfect."

It was also recorded that in Class C Fairs Saanich was second in prize money but was tenth place in membership.

CHURCHES OF CHRIST SCIENTIST

Sunday, March 16th, 1941
"SUNSHINE" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations" (Psalms 119: 89, 90).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end" (Jer. 29: 11).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Angels, God's thoughts, passing to human; spiritual intuitions, pure and perfect; the inspiration of goodness, purity, and immortality, counteracting all evil, sensuality, and mortality."
